IMPORTANT

a. Please strictly follow the requirements of this manual when installing.
b. The light source of this product is a non-replaceable light-emitting diode (LED).
c. Please do not install the lamp in an environment of high temperature, high humidity, and high dust.
d. Handle gently to avoid damaging the product.

MAINTENANCE

a. Before cleaning, please ensure that the lamp is not connected to the power supply;
b. Please wipe gently with a soft cloth regularly to maintain the original surface treatment effect of the product.
c. Please do not use irritating chemicals which may affect the colour of the product or surface treatment on the product.
